CEDAR RAPIDS, IOWA**

SATURDAY, MARCH 13, 1965

SHOW: 8:45 A. M. - SALE: 12:00 NOON, SHARP!

(We make every effort to start at these hours)

**WE WILL SHOW AND SELL BOTH BRANCHES OF THE BREED
TOGETHER**

THE 33rd HAWKEYE DOWNS POLLED SHORTHORN SALE

- 20 BULLS** - All of serviceable age and of such quality and breeding that they may be used in top herds.
- 10 FEMALES** - Two with calves at side and rebred, 4 others bred and 4 Club heifers.

THE 24th HAWKEYE DOWNS SHORTHORN SALE

- 24 BULLS** - All of breeding age. Exceptional breeding and quality. Note six grandsons of Bapton Constructor plus other fine sires.
- 25 FEMALES** - Some with calves at foot and rebred, 8 bred females and 16 Club heifers.

The HAWKEYE DOWNS Sales were started in 1946 as a private venture of this sale manager. This makes the 43rd sale date with either separate sales of both branches of the breed or a joint sale like this one. The sales have been developed with the cooperation and advice of the breeders. Sales ideas get a thorough airing at the dinner meetings the evening before the sales.

We advise breeders to consign to national sales, their state sales and to also sell many of their good ones in our Hawkeye Downs sales, which they have done. In 1964 we sold 70 bulls, 118 females and 50 Club steers for a total of 238 head to add to the thousands of head that have sold through Hawkeye Downs sales. Several nationally known breeders avail themselves of the opportunity to locate new owners for their cattle through these sales and we welcome them. We find that private demand is so strong for females that it is difficult to obtain many of breeding age.

ATTENDANCE PRIZE: \$25 in cash will be given away immediately after the sale. Be sure to get your name and address upon only one card for the drawing.

DINNER MEETING: We will have a dinner and meeting for consignors, breeders and others interested in good beef cattle in the private dining room of Bishop Cafeteria at 6:30 the evening of March 12th. Simply go through the line and to the dining room.

Livestock insurance may be obtained in the American Livestock Ins. Co. - Harding and Harding - through the Sale Manager.

General Information

TIME: Saturday, March 13, 1965. Show at 8:45 A.M., Sale at 12:00 Noon, sharp.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. Paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense, but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished, for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J. E. Halsey, Des Moines.
10. Special Representatives: Gene McDonald of the Shorthorn World, Tom Sherlock, Wallaces Farmer, Roy Wagener, Bellevue.
11. Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa.
12. Sale Manager: Earl S. Girton, Box 732, Marshalltown, Iowa. Phone: 753-3693. Assistant Sale Manager: Merne Anderson, Victor, Iowa. He will handle the health charts.
13. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., No. Empire 3-4341.

P V JUPITER x - A dark red, very well bred bull. His grandsire was the fastest gaining bull ever raised at Lynnwoods. His dam is by Edellyn Superb Mercury, the Top Bull at the Edellyn Dispersion Sale at \$6100. His sire, Edellyn Banker Mercury, was Grand Champion at the American Royal and Iowa State Fair. His dam, Edellyn Clara Belle 3d by Beaufort Bulldozer, was the 1954 International Grand Champion Female. Jupiter's great grandsires, Creekland Lancer and Carona Fascination, were both International Grand Champions with great breeding records. P V Jupiter is a proven breeder, as I thought him good enough to breed part of the herd at our west place. His first calves will come in June.

MAPLEWOOD MAIDEN 2D x - A cow that has produced a calf every year since she was two years old, that turned out to be of the right type, regardless of the calf's sire. She sells with a bull calf at side, sired by our Acadia Consort x bull, who in turn is sired by Timberlee Consort x. Will be rebred by sale day. Three bulls and heifers by Timberlee Consort x won firsts at 1964 International.

CAMSON MAIN CHANCE X - As a calf.

2nd place Summer Yearling at 1963 International and in 1st place Junior Get of Sire. Sired by the \$18,000 Dandy of Westdrums x, the 1962 International Grand Champion. Lot 20 is bred to Main Chance and you might "luck" a herd bull by the only son of "Dandy" in the Midwest.

BOMBA DEAR CENTURION - If you are looking for a herd sire, you should look this young bull over! This bull is linebred to one of the most popular bulls in the last 10 years, namely N-Bar Prince. He did a wonderful job in the Billy Anderson herd and is still well known by all. He has the lowsetness and ruggedness of N-Bar Prince and will remind you of him as of this age. His mother was bought from Vincent Baker here in the Hawk-eye Downs Sale in 1962. She is an outstanding young female and stays in beautiful condition all the time. This bull will be a great improver for you.

ROSETTA ELM'S BEAUTY - A late heifer of club age with much good breeding back of her.

Our calves have done real well for us this year. A half sister to these calves was Grand Champion Heifer at the Quad County Show in Clinton. A steer was Champion Shorthorn and Reserve of the 4-H Show at the Davenport Fair. A steer was Reserve at the Wyoming Steer Show also. A heifer was Reserve in the 4-H show at the All Iowa Fair also.

These calves are all out of former 4-H heifers. Many have won county All Iowa and Quad County Shows. They have Anderson, Sumptian, Hickories and Rothlisberger, Burr and Urice breeding.

As we have no one else in 4-H we are selling all our steers and the top heifers as 4-H calves. Our entire herd was originated from 4-H heifers and we bought top heifers.

"Lots 75, 76, and 77 are junior heifer calves from Club heifers that the late Cheryl Mohl had selected, fitted and shown with success during the past several years. They should be good foundation material for other Club members. Note the good breeding, all sired by a son of the noted Louada Aristocrat and from a dam by the International Grand Champion, N Bar Prince."

W W COPYRIGHT 66TH x - A bull we would not part with if we could use him. He is one of the best headed bulls in the country and is correct in every way. He is a 7/8 brother to W W Copyright 22d, that was Grand Champion at Nebraska & Reserve Junior Champion at Chicago in 1963 and has sired top calves for us and everyone that bought females bred to him.
